

## Hospital Flowers Owl City

Noticed there are only 2 versions.. only one is fairly accurate (not to mention complicated) and the other one is off a bit.. enjoy! (:

Note: The begining of the bridge might be off cause in the song Adam Young did like a key change kinda thing and it threw me off, so that might not be right but other then that it s spot on (:

Capo 4

Verse:

**G** **C**  
I survived, a dreadful accident,  
**Em** **D**  
In the car crash of the century,  
**G** **C**  
My shattered hopes, collapsed on cold cement,  
**Em** **G** **D**  
But in the back of the ambulance, I never felt so content,

Chorus:

**Am** **G** **D**  
A high-speed collision gave a new sense of sight to me,  
**Am** **G** **D**  
And now my vision can render the scene,  
**Am** **G** **D**  
Blurry image of wreckage and roadside debris,  
**C** **D** **G**  
Happiness returned to me, through a grave emergency.

**G D C**  
Da da da da (4x)

Verse 2:

**G** **C**  
I tossed and turned, in sterile apathy,  
**Em** **D**  
Until the violets, arrived for me,  
**G** **C**  
The bouquet burst and blossoms filled the room,  
**Em**  
And the place got smaller as they grew taller,  
**G** **D**

And taught me to bloom,

Chorus:

**Am** **G** **D**  
A high-speed collision gave a new sense of sight to me,  
**Am** **G** **D**  
And now my vision can render the scene,  
**Am** **G** **D**  
Blurry image of wreckage and roadside debris,  
**C** **D**  
Happiness returned to me, through a grave emergency.

Bridge:

**Dm** **C**  
The curtains decayed, the daylight poured in,  
**E** **Am**  
I was never afraid of the darkness again,  
**Dm** **C** **G**  
My burns were third-degree, but I d been set free,  
**D**  
Cause grace had finally found its way to me,

Chorus:

**Am** **G** **D**  
A high-speed collision gave a new sense of sight to me,  
**Am** **G** **D**  
And now my vision can render the scene  
**Am** **G** **D**  
A blurry image of wreckage and roadside debris  
**C** **D**  
Happiness returned to me (3x)  
**G**  
Through a grave emergency

Outro:

**G** **D** **C**  
Da da da da (3x)  
(Through a grave emergency)  
Happiness returned to me  
Through a grave emergency  
**C**  
Ahhhhhhhhhhhhhhh (end)
