

Shooting Star Acoustic
Owl City

This is the acoustic performance for Shooting Star by Owl City, as part of the Spotify sessions.

This was done by ear, so I don't know if it is how Adam plays it, but it sounds pretty close.

I wasn't sure of the chord names, but the diagrams are at the bottom.

Hope you enjoy it, it's fun to play along to - Craig K.

Capo 4th Fret(Chords relative)
Standard Tuning

For the first two verses, just strum each chord once - as with any song listen to it to get the timing right.

Count from 1 to 10 and open them
