

Stretched on the back of both my eyelids

F

That I've been dying to see

C

If you were a beautiful sound

Am

In the echoes all around

G

F

Then I'd be your harmony

C

And we'd sing along with the crowds

Am

Beneath the candy coated clouds

G

F

A strawberry avalanche, please crash over me

Interlude: (**C Am G F**) x2

C

Am

G

F

This is a world of dreams and reverie

C

Am

G

F

Where I felt the stars explode around me

End on C
