

The Bird And The Worm  
Owl City

Capo 6 :]  
Good luck!

**G** **Bm**  
If You re The Bird,

**Em** **D**  
Whenever we pretend it s summer,

**G** **Bm**  
Then I m the worm,

**Em** **D**  
I know the part, it s such a bummer,

**C**  
But fair is fair,

**Em**  
If my segments get separated,  
**G**  
I ll scream

**D**  
& you ll be there.

**G** **Bm**  
Close your eyes (Close my eyes),

**Em** **D**  
Slide the cotton off of your shoulder,

**G** **Bm**  
And feel the shine (feel the shine),

**Em** **D**  
I m hooked so toss me over,

**C**  
And cast a line (oh I ll try),

**Em** **G**  
Oh throw a party and greet my undersea friends (it depends),

**D**  
As they arrive (if they arrive),

**G** **D** **C** **D**

You and I left our troubles far behind (troubles far behind),

**G** **D** **C**  
But I still have just one more question on my mind,

**G** **D** **C** **D**  
For all my pals who live in all the oceans and the seas,

**G** **D** **C**  
With friends like these well, who needs enemies?

**G** **D** **C**  
Da dat dah da da da da da dat dah

**G** **Bm**  
If I m your boy,  
**Em** **D**  
Let s take a short cut we remember,  
**G** **Bm**  
And we ll enjoy,  
**Em** **D**  
Pickin apples in late september  
**C**  
Like we ve done for years,  
**Em**  
Then we ll take a long walk through the cornfield,  
**G** **D**  
And I ll kiss you, between the ears,

**G** **Bm**  
If you re my girl,  
**Em** **D**  
Swirl me around your room with feeling,  
**G** **Bm** **Em** **D**  
And as we twirl, the glow in the dark stars on your ceiling,  
**B3**  
Will shine for us,  
**Em**  
As love sweeps over the room,

**G** **D**  
Cause we tend to make each other blush (you make me blush)

**G** **D** **C** **D**  
You and I left our troubles far behind (troubles far behind),

**G** **D** **C**  
But I still have just one more question on my mind,

**G** **D** **C** **D**  
For all my pals who live in all the oceans and the seas,

**G** **D** **C**

With friends like these well, who needs anenemies?

**Em**

**D**

You re the bird and I m the worm,

**G**

**C**

**D**

And it s plain to see that we were meant to be

We were meant to be
