

The Saltwater Room
Owl City

Capo 5

[Verse 1]

Em C G
I opened my eyes last night and saw you in the low light

Em C
Walking down by the bay, on the shore

Em G
staring up at the planes that aren't there anymore

Em C G C
I was feeling the night grow old and you were looking so cold

Em C Em
Like an introvert, I drew my over shirt

G Em
Around my arms and began to shiver violently before

C G C

You happened to look and see the tunnels all around me

Em C Em

Running into the dark underground

G Em

All the subways around create a great sound

C G

To my motion fatigue: farewell

Em C

With your ear to a seashell

Em

You can hear the waves in underwater caves

C G

As if you actually were inside a saltwater room

(D, Em, C D, Em, G)

[Chorus]

Em C G

Time together is just never quite enough

C Em

When you and I are alone, I've never felt so at home

C G

What will it take to make or break this hint of love?

C

We need time, only time

Em C G

When we're apart whatever are you thinking of?

C Em

If this is what I call home, why does it feel so alone?

C G

So tell me darling, do you wish we'd fall in love?

C

All the time, all the time

[Verse 2]

Em **C** **G**
Can you believe that the crew has gone and wouldn't let me sign on?
Em **C** **Em** **G**
All my islands have sunk in the deep, so I can hardly relax or even oversleep
Em **C** **G** **Em** **C**
I feel as if I were home some nights when we count all the ship lights
Em
I guess I'll never know why sparrows love the snow
 C **G**
We'll turn off all of the lights and set this ballroom aglow

[Chorus]

Em **C** **G**
Time together is just never quite enough
C **Em**
When you and I are alone, I've never felt so at home
C **G**
What will it take to make or break this hint of love?
C
We need time, only time
Em **C** **G**
When we're apart whatever are you thinking of?
C **Em**
If this is what I call home, why does it feel so alone
C **G**
So tell me darling, do you wish we'd fall in love?
C
All the time, all the time
