D **G**
Welcome back, winter once again,
A
And put on your warm fuzzy sweater
Bm **G**
Cuz you ll feel much better...when,

D **G**
The snowflakes fall, gently to the ground.
A
The temperature drops and your shivers
Bm **G**
Freeze all the rivers around...

PRECHORUS

But I keep you warm

VERSE - same chords/progression as 1st verse

If speed s a pro, Inertia must be a con
Cuz the cold wind blows at precise rates
When I ve got my ice skates on

If all the roads were paved with ice that wouldn't thaw or crack
I could skate from Maine to Nebraska
then on to Alaska, and back
Cuz you keep me warm

PRECHORUS

Da da da.....

CHORUS

G A Bm

Peer over the edge. Can you see me?

G A Bm

Rivulets flow from your eyes

G A Bm

Paint runs from your mouth like a waterfall

G D A

And your lungs crystalize.

G A Bm

I'll travel the sub-zero tundra

G A Bm

I'll brave glaciers and frozen lakes

G A Bm

And that's just the tip of the iceberg

G D A

I'll do whatever it takes

To change...

Ah ah aaaahhhhh....

Farewell powdery paradise

A D G

We'd rather skate on the thinnest ice

A D G

Fingers failed us before they froze

A **D** **G**

Frostbite bit down on all our toes

G A Bm

Snow drifts build up and enfold us

G A Bm

As we wait out this winter storm

G A Bm

So we snuggle close in the darkness

G **D** **A** **D**

And keep each other soooooo.... warm
