I dont know the chords for the bridge, apologies.

Verse 1:

B **C#m**
Blue colours, no other could mess this up
B **C#m**
Im thinking while youre drinking, Ive had enough
B **C#m**
It rains on and on through the winter nights
B **E**
Change is coming; oh, Ive heard it so many times

Chorus:

C#m **E**
Its one plus one equals you and me darling
F#
So damn simple but we complicate it
C#m **E** **F#**
I know, I know, I know, I know
C#m **E**
Theres no one like you and me darling
F#
Should be simple but we complicate it
C#m **E** **F#**
I know, I know, I know, I know

Verse 2:

B **C#m**
Past midnight is when we fight but Im holding on
B **C#m**
So boring, he is snoring on and on
B **C#m**
Do you remember when we first met? It felt so young
B **E**
Now time is passing that everlasting, weve come undone

CHORUS

Bridge:

Rain through my window

And all that I see when I look to the street

I find you standing covered in

Rain through my window

And all that I see when I look to the street

I find you waiting, waiting

CHORUS
