Get into the gladness
Of love and it s way and you will not fight it
While everyone dozes, you re coming up roses

Drowning in a sea of sorrow
She won t be here for tomorrow s lullaby
Round and round and round she goes
And where she stops nobody knows
But God above
It s starting to rain and you re running
For cover like she ran to the arms of another

One day you will wake up and you ll
Be able to forget the sadness
Get into the gladness
Of love and it s way and you will not fight it
While everyone dozes, you re coming up roses

How long is the road paved with good intentions

Forever waiting divine intervention

Of love and it s way and you will not fight it

While everyone dozes, you re coming up roses
