I am only half a day away  
Weekenders we were in no but name  
I thought we had control of God His strength  
Curiosity had tricked us all the same

I still hear you call  
And you turn around in vain  
I still hear you call  
And I thought I heard my name  
I still hear you call  
That itâ€™s me I end up facing  
I still hear you call  
As you ever walk away

Plating sweats to spill is always more  
Want to tell you what itâ€™s soathing for  
Why do you chip from you to pass your mind  
To sell your soul, you even sold your heart

I still hear you call  
And you turn around in vain  
I still hear you call  
And I thought I heard my name  
I still hear you call  
That itâ€™s me I end up facing  
I still hear you call  
As you ever walk away

I need you

I need you

This is no-ones face so they say  
Hailsing of them rising to the day  
You thought that we could do the same instream  
Nothing, it just comes and takes your plans

I still hear you call  
And you turn around in vain  
I still hear you call  
And you thought I heard my name  
I still hear you call  
But itâ€™s me I end up facing  
I still hear you call  
As you ever walk away

I need you  
I need you  
I need you  
I need you
