I am only half a day away
Weekenders we were in no but name
I thought we had control of God His strength
Curiosity had tricked us all the same

I still hear you call
And you turn around in vain
I still hear you call
And I thought I heard my name
I still hear you call
That itâ€™s me I end up facing
I still hear you call
As you ever walk away

Plating sweats to spill is always more
Want to tell you what itâ€™s soathing for
Why do you chip from you to pass your mind
To sell your soul, you even sold your heart

I still hear you call
And you turn around in vain
I still hear you call
And I thought I heard my name
I still hear you call
That itâ€™s me I end up facing
I still hear you call
As you ever walk away

I need you

I need you

This is no-ones face so they say
Hailsing of them rising to the day
You thought that we could do the same instream
Nothing, it just comes and takes your plans

I still hear you call
And you turn around in vain
I still hear you call
And you thought I heard my name
I still hear you call
But itâ€™s me I end up facing
I still hear you call
As you ever walk away

I need you
I need you
I need you
I need you
