

Apple Trees

Ozma

Standard Tuning

C                    Ab   G                    C  
 Deep inside my eye, there is part of you  
 C                    Ab   G                    C  
 You still look the same, though you re upside down  
 Ami                    Ab   G                    C  
 So much time has passed since I saw you last  
 Ami   G                    /   Ab  
 Whoa...

Prechorus

Ami                    F                    G                    C                    Ab  
 An apple pie, the number pi, I studied you in math class  
 Ami   F                    G                    C                    Emi  
 I did all my work, but never got your digits

Double guitar octaves:

```

e-----|
B--5--4-5--7--9--7-9-11-12-----|
G-----|
D--3--2-3--5--7--5-7-9--10-----|
A-----|
E-----|
  
```

Chorus:

Ami                    Dmi   G                    C                    C/B  
 Take a number like 5, times 10, times 10 again  
 Ami   Dmi                    G                    C                    / Ab  
 Five hundred miles of apple orchards to defend

Verse 2

Prechorus 2

```

e-----|
B--5--4-5--7--9--7-9-11-12-----|
G-----|
D--3--2-3--5--7--5-7-9--10-----|
A-----|
E-----|
  
```

Ami                    Dmi   G                    C                    C/B  
 Take a number like 5, times 10, times 10 again  
 Ami   Dmi                    G                    C                    / Ab  
 Five hundred miles of apple orchards to defend

Guitar solo (same as verse chords)

Prechorus

Ami                      Dmi              G              C              C/B  
Take a number like 5, times 10, times 10 again  
Ami    Dmi                      G                      C              / Ab  
Five hundred miles of apple orchards to defend

Chorus 4

Double guitar octaves x2

(end on Ami chord)
