

Gameover

Ozma

Tabbed by Aaron of Blasters to Stun

This is a mix of the acoustic video and the acoustic demo versions.

Tune your guitar to Eb Ab Db Gb Bb Eb (a half-step down)

Intro (G C G C G Em D)

```

Eb-----
Bb-----
Gb--2-4-2-4-5-2-4---2-4-2-4-5-2-4-2-2-4---4-2-----
Db-----5-----
Ab-----5--5-4-(2)
Eb-----

```

```

Eb-----
Bb-----
Gb-----2--2--
Db-----2-4-5---5--5-4-----2-4-5-----5
Ab----2-3-5-----3-----2-3-5-----5-----
Eb-3-5-----3-5-----

```

```

Eb-----
Bb-----3-5-----
Gb-----2-4-5-----4--4-3-4--2--
Db-2-4-5-----5
Ab-----
Eb-----

```

Verse G C G C G Em D (Open chords)

At the end of the verses:

```

Eb-----
Bb-----
Gb-----
Db-5--5-4
Ab-----
Eb-----

```

Chorus E D C B A G F# Em D

The first chords are power chords, then depending on the version, it switches to open chords.

E                    D                    C                    B                    A

```

Eb-----
Bb-----
Gb-9-9-9-9-9---7-7-7-7-7---5-5-5-5-5---4-4-4-4-2-2-2-2
Db-9-9-9-9-9---7-7-7-7-7---5-5-5-5-5---4-4-4-4-2-2-2-2
Ab-7-7-7-7-7---5-5-5-5-5---3-3-3-3-3---2-2-2-2-0-0-0-0
Eb-----

```

Can switch to open chords here....G F# Em D or use more power chords:

```

          G             F#             Em             D
Eb-----
Bb-----
Gb-----7-7-7-7-7
Db-5-5-5-5-5---4-4-4-4-4---2-2-2-2-2---7-7-7-7-7
Ab-5-5-5-5-5---4-4-4-4-4---2-2-2-2-2---5-5-5-5-7
Eb-3-3-3-3-3---2-2-2-2-2---0-0-0-0-0-----

```

Second chorus ending and bridge:

Instead of going from G to F# in the progression  
go from G to D B Em C Cm then:

Is there no peace in your heart....

G B C D E Eb D C (All power chords, best as just intervals)

Now back to the verse...

The song structure is

Verse (quiet, open chords)

Chorus

I didn't see any tabs for this song on the web, so I decided to fill the void with my attempt.

This is a fairly accurate tab, but there's a few complex chords that I have missed, and maybe some other errors.

Please send me comments and corrections via [http://\\*](http://*) (post it to the board if you want).
