Lyrics:

i m telling you a story now
of something that s wrong
this has been developing
since nineteen eighty-one

maybe she s alone
maybe she s alone
what can i do?
what can i do?

there s nothing
there s nothing
there s nothing i can do

if i m a proper jewish boy
will her family love me?
can t stand to see her on the stage
and know she s not thinking of me

maybe she ll be hearing this
but probably she won t (probably she won t)
possibly she has desires
but probably she don t (probably she don t)

there s nothing i can do
