A E D  
When I was young I was the nicest guy I knew  
A G D  
I thought I was the chosen one  
A E D  
But time went by and I found out a thing or two  
A G D  
My shine wore off as time wore on  
A E D  
I thought that I was living out the perfect life  
A G D  
But in the lonely hours when the truth begins to surprise  
A E D  
I thought about the times when I turned my back and sulked  
A G D  
I am no nice guy after all  
A E D  
When I was young I was the only gang in town  
A G D  
I thought I had it down for sure  
A E D  
But time went by and I was lost in what I found  
A G D  
The reasons burn the way I show  
A E D  
I thought I was living life the only way  
A G D  
But then I saw life was more than day to day  
A E D  
I turned around, I read the writing on the wall

A E D  
I am no nice guy after all  
A G D  
I am no nice guy after all
