And that s it! One thing though, in the verses you can play it in a more complex way, but the chord names were like wtf, so I didn t want to include it, anyways, it goes like this:

[Extra chords]

Gmaj7/B = X20032

G6addC#/B = X20020

G6/D = XX0000

Bm **Bsus2** **Bm** **Bsus2**

Out on the street, I m stalking the night

Gmaj7/B **G6addC#/B** **G6/D** **G**

I can hear my hea - vy breathing.

Bm **Bsus2** **Bm** **Bsus2**

Paid for the kill but it doesn t seem right

Gmaj7/B **G6addC#/B** **G6/D** **G**

And just do the same with the second verse, and there you go.
