

Love You In Those Jeans

P9

F#M

Uh, wee

D

You're looking so mean

A

Why you wanna go and do that in those jeans?

E

Why you wanna do like that in those jeans?

F#M - **D - A - E**

I saw you out again

Shopping with your friends

Picking up designer brands

What you really need to know

Is you don't even have to go

Yeah, you can save all your dough

F#M - **D - A - E**

Cause you look so good in sweats

Or in this sexy little dress

But it's those jeans I can't forget

F#M - **D - A - E**

I've been wishing you were mine

when you're already mine

No, you don't have to try

'cause you're perfect in my eyes

F#M - **D - A - E**

Yeah, so incredible

dressed from head to toe

It all looks good to me

But I love you in those jeans

F#M - **D - A - E**

It doesn't matter what you wear

No, I don't really care

It all looks good to me

You're making me go

Uh, Uh

F#M - **D - A - E**

Baby look at you, you

Whatcha trying to do-o?

They're fitting you so mean
