

**With You**

**Pablo Olivares**

Intro: D G Bm F#m G

Verso 1:

D G  
I was on the wrong path  
Bm F#m G  
by myself I want to know all the truth  
D G  
and looked for the best high but  
Bm F#m G  
still fell alone and low  
I tried with some girls  
It was I content and complete?  
And then I thought make money  
You can buy all the love all that you need

Coro:

D  
I just want to go  
G  
I just want to go  
Bm F#m G  
I just want to go with you

Verso 2:

I tried living with my rules  
but my rules don't let me live in Peace (oh no)  
who cares I don't need nobody  
but I'm sick and I can't make it alone for alone..  
I searched with the wises and divines  
but they don't know where i come from  
I hear your voice inside my head  
you give me all I've searched for

Puente:

D  
////I wanna get with you////

G Bm  
You said I'm forgiven that day i won't forget  
G A  
your past doesn't matter because I love you anyway  
G A Bm  
the price was paid now follow me with your cross
