

Song Of A Leprechaun  
Paddy and the Rats

**G** **Csus2**  
Across the silver river  
**G** **D**  
Over the delphs and hills  
**Em7** **G**  
To see the sun is shining bright  
**Em7** **D/F#** **G**  
Above the greenest fields  
**G** **Csus2**  
I look for the maker of Æ%ire  
**G** **D**  
Who makes the world go round  
**Em7** **G**  
Just wait a response patiently  
**Em7** **D/F#** **G**  
But I just can hear a sound

**Csus2** **G**  
Ooooooh-oooooh  
**Csus2** **G**  
Ooooooh-oooooh  
**Csus2** **Em7**  
Look for my inner silence  
**Csus2** **D/F#** **G**  
And I need it to find in me  
**Csus2** **G**  
Ooooooh-oooooh  
**Csus2** **G**  
Ooooooh-oooooh  
**Csus2** **Em7**  
Letâ€™s return to innocence  
**Csus2** **D/F#** **G**  
What we really have to be

**G** **Csus2**  
I believe in God The Father  
**G** **D** **Em7**  
The maker of heaven and the earth  
**G**  
A place to call my home  
**Em7** **D/F#** **G**  
I pray for Ireland  
**G** **Csus2**  
I believe in God the Lover  
**G** **D**

The wonder that love can do

**Em7** **G**

Cause love is godsend in his son

**Em7** **D/F#** **G**

As patiente as so true

**Csus2** **G**

Ooooooh-ooooooh

**Csus2** **G**

Ooooooh-ooooooh

**Csus2** **Em7**

Look for my inner silence

**Csus2** **D/F#** **G**

And I need it to find in me

**Csus2** **G**

Ooooooh-ooooooh

**Csus2** **G**

Ooooooh-ooooooh

**Csus2** **Em7**

Letâ€™s return to innocence

**Csus2** **D/F#** **G**

What we really have to be
