**G** 30040x

In water s full of grace, cause only time will tell,

**Em D6/F# G** Gadd4 **G Bm7b9/A G D6/F#**  
When you ll be willing to sell, your body for one precious taste,

Sweet suburban sky.....

**Em D6/F# G Bm7b9/A G D6/F#**

**G D6/F# Em Emadd9**  
But you continue to compromise,

**Em D6/F# G Gadd4 G**  
there won't be no alibis,

**Bm7b9/A G D6/F# G D6/F# Em Emadd9**  
When there's no water to wash the burning sun from your eyes,

**Em D6/F# G Gadd4 G**  
Sweet suburban sky.....

**Em D6/F# G Gadd4 G**  
So when you finally taste,

**Bm7b9/A G D6/F# G D6/F# Em Emadd9**  
all---- of the waste, Sign of the time,

**Em D6/F# G**  
you won't even call it a crime

**Bm7b9/A G D6/F# G D6/F# Em Emadd9**  
The water's coming round again, maybe you'll be gone by then

**Em D6/F# G Gadd4 G**  
But they won't thank our generation

**Bm7b9/A G D6/F#**  
For the ignorant inclination,

**G D6/F# Em Emadd9**  
cause when there's nowhere left to hide,

**Em D6/F# G Gadd4 G Em Emadd9**  
maybe then they'll call it genocide..

**Em D6/F# G Gadd4 G Bm7b9/A G D6/F#**  
Sweet suburban sky, gonna miss you if you burn

**G D6/F# Em Emadd9 Em D6/F# G Gadd4 G**  
Curse you, when it's our turn, so come now wash your face

**Bm7b9/A G D6/F# G D6/F# Em Emadd9**  
In water's full of grace, cause only time will tell,

**Em D6/F# G Gadd4 G Bm7b9/A G D6/F#**  
When you'll be willing to sell, your body for one precious taste,

**G D6/F# Em Emadd9**  
then all is left to waste

**Em D6/F# G Gadd4 G**  
Sweet suburban sky.....
