Far Away

Hm **A**
Far away the river flows forever on
Hm **A**
The sun goes down and the waves roll back the tide
Hm **A**
Yesterday is done and my time has come
Hm **A** **Hm**
Far away Iâ€™m on the run

G **A** **Hm**
A chance as good as any, Iâ€™m glad for what Iâ€™ve done
Hm **A** **Hm**

G **A** **Hm**
The good time I've had plenty in this race that I have run
Hm **A** **Hm**
I stand across the water far away I'm on the run

Hm **A**
The breath of air is howling catch the waves as they roll out
Hm
Come sing a song of freedom, come sing it clear and loud
G **A** **Hm**
A long long time to travel since this journey had begun
