The Cliffs Of Dooneen chords  
Paddy Reilly (live version) \*

**D**  **G**                  **D**  
You may travel far far from your own native home  
          **D**  **A**                  **Bm**  
Far away oer the mountains far away oer the foam  
          **D**  **A**                  **Bm**  
But of all the fine places that I ve ever seen,  
          **D**                  **Bm**                          **G**                  **A**  
There s none can compare with the cliffs of Dooneen

**A**                  **D**                          **G**                  **D**  
Take a view oer the mountains fine sights you ll see there  
                          **D**  **A**                  **Bm**  
You ll see the high rocky mountains on the West coast of Clare  
          **D**  **A**                  **Bm**  
The towns of Kilrush and Kilkee can be seen  
          **D**                  **Bm**                          **G**                  **A**  
From the high rocky slopes round the cliffs of Dooneen

**A**                  **D**                  **G**                  **D**  
It s a nice place to be on a fine Summer s day  
          **D**  **A**                  **Bm**  
Watching all the wild flowers that ne er do decay  
          **D**  **A**                  **Bm**  
The hare and lofty pheasant are plain to be seen  
          **D**                  **Bm**                          **G**                  **A**  
Making homes for their young round the cliffs of Dooneen

**A**                  **D**                          **G**                  **D**  
Fare thee well to Dooneen fare thee well for a while  
          **D**  **A**                  **Bm**  
And to all the fine people I m leaving behind  
          **D**  **A**                  **Bm**  
To the streams and the meadows where late I have been  
          **D**                  **Bm**                          **G**          **A**          **D**          **A D**  
And the high rocky slopes round the cliffs of Dooneen

\* Alternate:

Capo II

**D = C**

**A = G**

**G = F**

**Bm = Am**

Set8
