

She Is My Hero
Pagan John

C Dm7
She is my hero
Am7 F7M/C
Hold her close
C Dm7
When she came thru my door
Am7 F7M/C
To warm me up in the cold
C Dm7
It was our first time
Am7 F7M/C
I could see the stars in her eyes
C Dm7
I d love to go back
Am7 F7M/C
At the moment I kissed her she smiled

C Dm7
She is my hero
Am7 F7M/C
She is my lovely wonder girl
C
And we are free falling now
Dm7
Far from the ground
Am7 F7M/C
Falling through all those lights
C Dm7
She is my best friend
Am7 F7M/C
She loves me the way I am
C Dm7
She is my hero
Am7 F7M/C
Lying down on my bed

C Dm7 Am7 F7M/C

C Dm7
Drinkin some good wine
Am7 F7M/C
Talking about the future of life
C Dm7
We could just freeze at this moment
Am7 F7M/C
Is so hard to say goodbye
C Dm7

And when we make love

Am7 **F7M/C**

The sparks light up the sky

C **Dm7**

No words could tell what we feel

Am7 **F7M/C**

When we re going that high

C **Dm7**

She is my hero

Am7 **F7M/C**

She is my lovely wonder girl

C

And we are free falling now

Far from the ground

Am7 **F7M/C**

Falling through all those lights
