Angel, way before there was goodness

F

Way before there was sadness

You were just like one of us

You were here stuck among us

You were one time a killer

F

An untrustable stealer

An unswayable doubter

C/G

So don t be so hard on us

(Same)

Angel, way before there was darkness

Way before there was lightness

You were an in-betweenner

You were riding the dog fence

You were no more and no less
You were no more and no less
You were just like one of us
So don't be so hard on us

(4/4 Part)

C/G

Way before

Em

We took your arms

F

Way before

G

You played the harp

(Same to fade)

You were so in-between
Oh dear little bit believer
I'm looking for a leader
Way before we took your arms
Way before we played the harp
You were so in-between
Oh dear, little bit believer
I'm here looking for a leader
Way before we took your arms
We before we played the harp
