

1979

Pain of Salvation

Am C
It was '79 and the world seemed more kind
Gm Dm
And it was still okay to be modest
Am C
The sixties were gone but their soul lingered on
Gm Dm
And the eighties were still just a promise

D F Em Am
And I remember me and you

Am C
Two children of six still playing with sticks
Gm Dm
And whatever we found in the forest
Am C
Our grandpas were strong and our parents still young
Gm Dm
And the world seemed a little more honest

D F Em Am
And I remember me and you

F C Dm Am
All still fine, 19 79
F C Dm Am
Left behind, 19 79

D F
Do you remember?

D F
Do you remember?

D F
Cause I remember

Em Am
Me and you
