This pain will never end

Am F Dm

Dm

These scars will never mend

Couplet 2

Am

F Dm Dm Am
I taste your sorrow and you taste my pain

F Dm Dm Am
Drawn to each other for every stain

F Dm Dm Am
Licking the layers of soot from your skin

F Dm Dm Am
Your tears work my crust to let yourself in

F Dm Dm Am
Touching you harder

F Dm Dm
Touching you harder now

Refrain

Am

F Dm
As we walk through the ashes

Dm Am
I whisper your name

F Dm Dm Am
A taste of pain to cling to

F Dm
As we walk through the ashes

Dm Am
You whisper my name

Who s the one with the sickest mind...

Couplet 3

Am

Now?

F Dm

Dm

This pain will never end

Am F Dm

Dm

Am

Our scars will never mend

F

Cleansing sweat

Dm

Dm

We are just using each other

Am

Too depraved to stay alive

F

But too young to die

Dm Dm

Am

And we hurt

F

Dm

(Scrubbing it harder)

Dm

Am

Too late to back out now

F

Dm

Dm

(Scrubbing it even harder)

As these two broken barren desolate disordered words collide

Refrain

Am

F

Dm

As we walk through the ashes

Dm Am

I whisper your name

F Dm Dm Am

A taste of pain to cling to

F Dm

As we walk through the ashes

Dm Am

You whisper my name

F Dm Dm

Who s the one with the sickest mind...
