Pain Of Salvation --Sisters From the Album Road Salt One.

A# **C** **Dm** **F**
 When all are dizzy and happy from too much wine
A# **C** **F**
 I leave the party behind
A# **C** **D** **F**
 To be alone with my thoughts and this spinning mind
A# **C**
 Through this cold night
A
 But there she stands

D
C
 And she walks like you
D
C
 And she smiles almost like you
A#
C
D
 A child of the wild just like you
 Yes.

A# C Dm F
For a second I think I get a glimpse
A# C Dm
Of the real her, behind
A# C
She s warm and fragile
Dm F
With smiles that reach to her eyes
A# C
But just this moment
A
A change so sublime

Dm **C**
 If she looked me deep into my eyes
A#
 And softly asked me too
C **Dm** **C**
 I d be in her bed and in her flesh
A#
 And waste a life I knew

So I hold my breath and close my eyes

And focus on the wine

A# C Dm C

Let this trembling moment pass us by

A# C Dm

So I could say goodnight
