To The Shoreline
Pain of Salvation

```
                   - Pain Of Salvation -
                   - To the shoreline  -
```

(**Cb**) = Not full chord, only notes
 C/G = Normal **C** but G on 1st string picked

-Intro-
Am   C   Am   C/G (**Cb**)
Am   C   D   F (**Cb**)

-Verse-
Am   C
I m far from sober
Am   C/G   (Cb)
And she s far from sane
Am   C
But she takes my hand and
Am   C
She pulls me away

-Bridge-
Dm   Am
She leads me down to the shoreline
Dm   Am
She leads me down to the sea
Dm   Am
She pulls me into the water
Dm   E
And then she whispers to me

-Chorus-
Am   C   D
Love, you known that I can make you stronger
Am   C   D
Love, you know that I can make you brave
C   D
But there s one thing that you must remember,
F   E   Am
That I am to far gone for you to save.

-Intro like-
Am C   D   F (**Cb**)

Am   C
Like sand through her fingers
Am   C/G (**Cb**)
The night slips away

```
Am                    C
She gave me her body
D              F         (Cb)
But never her name

-Bridge-
Dm                      Am
I followed her to the shoreline
Dm                      Am
I d follow her to the grave
Dm                        Am
To sinking ships in the darkness
F                   E           Am
And we are much to close to break away

-Chorus-
Am              C              D
When I know that she will make me stronger
Am              C              D
When I know that she will make me see
C                          D
When I know that she will make me hunger
F                   E              Am
But I don t know what more she ll do to me

-Chorus raised-
Bm                          D           E
And she said you know that I can make you stronger
Bm              D           E
Love, you know that I can make you brave
D                             E
But there is one thing that you must remember
G              A           Bm
That I am to far gone for you to save
```
