

**Hospital Beds**  
**Palaye Royale**

(chords with \* are single strums)

**Eb Bb Eb Bb**

[Verse]

**Eb\***            **Bb\***  
Hello, my friend  
                 **Eb\***                            **Bb\***  
I m gonna be here till the end  
                 **Eb\***            **Bb\***  
Of the universe, if I can  
                 **Eb\***                            **Bb**  
I wanna fly, up in the sky, sky, sky

[Verse]

**Eb**                            **Bb**  
I wanna dance with you  
                 **Eb**    **Bb**  
Take my hand, and I ll show you a few moves  
                 **Eb**                            **Bb**  
This is it, no more sorrow  
                 **Ab**    **F F\***  
Leave the living for today, and the dying for tomorrow

[Chorus]

**Bb**                            **Eb**                            **F**  
No, I can t tell you how to say goodbye  
                 **Bb**                            **Eb**                            **F**  
Cause I ve been waiting most of my life  
                 **Bb**                            **Eb**                            **F**  
Behind the curtain, she s staring at my grave  
                 **Bb**                            **Eb**                            **F**    **Bb**  
She slowly dances on her hospital bed, hospital bed

**F Eb Bb F Eb Bb**

[Verse]

**Eb**                            **Bb**  
Well I say what I mean  
                 **Eb**                            **Bb**  
And I got all I need  
                 **Eb**                            **Bb**  
But I stand at 19  
                 **Eb**    **Bb**  
Fell from the heavens, I m the sun king  
                 **Eb**    **Bb**  
What ya got? What ya need?

**Eb** **Bb**  
Thank your god, and get off your knees  
**Eb** **Bb**  
Cause you re giving just to please  
**Ab** **F F\***  
Oh, leave the living for today, and the dying for tomorrow

[Chorus]

**Bb** **Eb** **F**  
No, I can t tell you how to say goodbye  
**Bb** **Eb** **F**  
Cause I ve been waiting most of my life  
**Bb** **Eb** **F**  
Behind the curtain, she s staring at my grave  
**Bb** **Eb** **F** **Bb**  
She slowly dances on her hospital bed, hospital bed

**F Eb Bb F Eb Bb**

[Bridge]

**Eb** **Bb**  
Well, I saw the world at its worst  
**Eb** **Bb**  
And I lived with Jesus first  
**Eb** **Bb**  
I am so blessed and cursed  
**Ab**  
Layin in the back of this Cadillac hearse  
**Eb** **Bb**  
I saw an angel cry  
**Eb** **Bb**  
You saw the devil die  
**Eb** **Bb**  
Well, I have the last goodbye  
**Ab** **G** **Gb**  
Layin in the back of this Cadillac hearse

**F\*** **Bb\***  
Well, no, I can t tell you  
**Eb\*** **F F\***  
How to say goodbye...

[Chorus]

**Bb** **Eb** **F**  
No, I can t tell you how to say goodbye  
**Bb** **Eb** **F**  
Cause I ve been waiting most of my life  
**Bb** **Eb** **F**  
Behind the curtain, she s staring at my grave  
**Bb** **Eb** **F** **Bb\***  
She slowly dances on her hospital bed, hospital bed
