[Intro]

Gm Am Bbm F
Gm Am Bbm F

[Verse]

Gm **Bbm**
They re still in love with their ex

F
And I m not feeling my best
This is a bad combination

Gm **Bbm**
Cause every time they re around

F
I get all dolled up and gowned
Been seeing stars and carnations

Gm **Bbm**
Cause I ve been dreaming I might

F
Just up and bail on this plight
And maybe go on vacation

Gm **Bbm**
Pack up my shit in the dark

F
And if the car doesn t start
It spares us both conversations

[Chorus]

G A Bb F

Ooh-oooh ooh ooh-oooh

G A Bb F

Ooh-oooh ooh ooh-oooh ooh

[Instrumental]

Gm Am Bb F

[Verse]

Gm **Bbm**
I take a train down the coast

F
And disappear on a boat
To live on berries and kiwis

Gm **Bbm**
Settle far from the snow

F

And when my skin starts to glow
Won t worry bout it all peeling

Gm **Bbm**
I ve got this feeling

F

I may come back and close up someday
Won t be all sappy and weepy

Gm **Bbm**
Cause I ll be rested and warm

F

Sand in my hair from the shore
My face looks flushed when they see me

[Chorus]

G A Bb F

Ooh-oooh ooh ooh-oooh

G A Bb F

Ooh-oooh ooh ooh-oooh ooh
