And still I have to bite my tongue
        Ebm7                               F#
And the days and the weeks and the months pass by

```

```
I          can t have you by my side
Ebm7          C#sus4 F#

Verse

          Ebm7
I ve been waiting by the minute
      F#
Every precious little second
D3add4/F                  Badd9
Try to wrap my head around that I ll never get it
Ebm7           F#          D3add4/F     Badd9
Contemplating if it s the right time to let you know
Ebm7                             F#
You re stuck in my thoughts so let s make a deal
D3add4/F                  Badd9
I ll keep my lips locked if you promise it s real
    Ebm7        F#          D3add4/F
And if he treats you right
    Badd9
Then I m fine

G#7sus4  Badd9
But that s okay.

Chorus

And I say
Ebm7  C#sus4  F#              Badd9
I          want you to be my girl
Ebm7          C#sus4 F#
Want you to be my world
      Badd9
Even if it means that
Ebm7  C#sus4  F#                 Badd9
I          can t have you by my side
Ebm7           C#sus4 F#
Just want you in my life

Bridge

Even if it means that
F#                  D3add4/F
I m waiting for you
(Speechless, I wanted to call out your name, I stopped in fear that things would
change)
                  Ebm7
I swear if you knew
        Badd9
```

```
Then I know it wouldn t be the same
F#                       D3add4/F
I m waiting for you
(Speechless but I m alright, alright)
                        Ebm7
I swear if you knew
     Badd9
I d set aside my love for less

Chorus x2

Ebm7  C#sus4  F#              Badd9
I               want you to be my girl
Ebm7          C#sus4 F#
Want you to be my world
      Badd9
Even if it means that
Ebm7  C#sus4  F#                    Badd9
I               can t have you by my side
Ebm7             C#sus4 F#
Just want you in my life

(Ebm7, F#, D3add4/F, Badd9)

Last time, there s less time between the 3rd and 4th chord of the sequence,
which ends with a single strum of Cadd9.
