Your superiority

Db

Don t roll your eyes my sweet

I know a rich man who has everything

You could wish for

But children

I know an old lady who talks a lot but

Could teach you

If you listen

I know people who believe in gods and demons

I know ones who think there s nothing

There at all

Wipe it off your sleeve

Your superiority

Don t roll your eyes my sweet

We re just the same

We all get desperate sometimes

Feeling black and blue

I know you ll find it hard

To accept it sometimes

We all feel black and we feel blue

Wipe it off your sleeve

Your superiority

Don t roll your eyes my sweet

Wipe it off your sleeve

Your superiority

Don t roll your eyes my sweet.
