

Picking Up The Pieces Paloma Faith

Picking Up The Pieces - Paloma Faith

[Verse 1]

G
Do you think of her
D
When you re with me
Em **C**
Repeat that memories you made me to give her
G
Who s face do you see?
D
Do you wish I was a bit more like her?
Em **C**
And not to lie, I ll take the pound to cut the rope
All these doubts

G **D**
Forget all she s floored
Em
She s the all, the one with shining in
C
A spendlor, you were lost

[Chorus]

G
Now she s gone
D
And I m picking up the pieces
Em
I want to cry
C
But you don t see that I m woman your type
G
Cause she s good
D
In her shadow is it me you see
Em
Cause all that s left is you and I
C
And I m picking up the pieces
G
She left behind

[Verse 2]

G
Behind the TV

D
You look so happy, all you missing the way it used be
Em **C**
But now have changed this boomerang more often lately
G **D**
It s clear that we and this for lost
Em **C**
Still know is puzzle and glow

G
Perfect heart
D
She s floored
Em
She s the all, the one with shining in
C
A spendlor, you were lost

[Chorus]
G
Now she s gone
D
And I m picking up the pieces
Em
I want to cry
C
But you don t see that I m woman your type
G
Cause she s good
D
In her shadow is it me you see
Em
Cause all that s left is you and I
C
And I m picking up the pieces
G
She left behind

[Bridge]
G
Are we liars
D
In denial
Em
Are we smoke without the fire
C
Tell me please, is this worth it
G
I deserve it

[Chorus]
G
Now she s gone

D

And I m picking up the pieces

Em

I want to cry

C

But you don t see that I m woman your type

G

Cause she s good

D

In her shadow is it me you see

Em

Cause all that s left is you and I

C

And I m picking up the pieces

G

She left behind

Great song. Hope you found this helpful
