When you re with me

Dm

Repeat that memories you made me to give her

F

Who s face do you see?

Do you wish I was a bit more like her?

All these doubts

C

Forget all she s floored

Dm

She s the all, the one with shining in

A spendlor, you were lost

F

Now she s gone

C

And I m picking up the pieces

Dm

I want to cry

Bb

But you don t see that I m woman your type

F

Cause she s good

C

In her shadow is it me you see

Dm

Cause all that s left is you and I

Bb

And I m picking up the pieces

F

She left behind
