Do you think of her

When you re with me

F#m

Repeat that memories you made me to give her

A

Who s face do you see?

E

Do you wish I was a bit more like her?

F#m

D

And not to lie, I ll take the pound to cut the rope

All these doubts

A

E

Forget all she s floored

F#m

She s the all, the one with shining in

D

A spendlor, you were lost

[Chorus]

A

Now she s gone

E

And I m picking up the pieces

F#m

I want to cry

D

But you don t see that I m woman your type

A

Cause she s good

E

In her shadow is it me you see

F#m

Cause all that s left is you and I

D

And I m picking up the pieces

A

She left behind
