

## Sexy Bitch

Paloma Faith

I fell in love with this song the moment i heard it on the radio 1 live lounge,  
beautiful, so moving,  
such a haunting and slow paced compared to the dance tune :)

I                      Bm                  D  
Yes I can see her

G    Bm                  D  
Cause every girl in here wanna be her

G                      Bm                  D  
Oh she s a diva

G    Bm                  D G  
I feel the same and I wanna meet her

2                    Bm                    D G  
They say she low down

   Bm                    D G  
It s just a rumor and I don t believe em

   Bm                    D G  
They say she needs to slow down

   Bm                    D G  
The baddest thing around town

Bridge:

She s nothing like a girl you ve ever seen before  
 Nothing you can compare to your neighbourhood whore  
 I m tryna find the words to describe this girl without being disrespectful  
 The way that booty movin I can t take no more  
 Have to stop what I m doin so I can pull her close  
 I m tryna find the words to describe this girl without being disrespectful,

D
