

In Between Dances

Pam Tillis

In between dances Pam Tillis
(craig bickhardt/barry alfonso)

G C D G
Thereâ€™s room at my table, why donâ€™t you pull up a seat
G C D G
The musicâ€™s inviting but Iâ€™m staying off of my feet
C G C G D
The floorâ€™s getting crowded, but I donâ€™t wanna take part
C G C G D
I bet you can guess itâ€™s got something to do with my heart

G C D
I could sure use your company now
G C D

But donâ€™t be mistaking my smile
C G

Iâ€™m only in between dances
C D G C D
Sitting it out for a while

G C D G
The partners are chosen, look at them waltzing away
G C D G
The tempo gets slower, closer and closer they sway
C G C G D
Iâ€™ve had my moments when I could get lost in the sound
C G C G D

But when the song ended the one in my arms let me down
G C D
I could sure use your company now

G C D
But donâ€™t be mistaking my smile
C G

Iâ€™m only in between dances
C D G
Sitting it out for a while

Em A
Have you been in my shoes
C G

I search your eyes for signs
Em A
Will you remain, remember my name

C D
After itâ€™s closing time
G C D

I could sure use your company now
G C D
But donâ€™t be mistaking my smile

C G

Iâ€™m only in between dances
