Cmon
Panic! At the Disco

```
            C
Itâ€™s getting late, and I
                              Em
Cannot seem to find my way home tonight
                                Am
Feels like I am falling down a rabbit hole
                   F                     G
Falling for forever, wonderfully wandering alone
              C
What would my head be like
```

If not for my shoulders

```
        Em
Or without your smile
```

May it follow you forever

```
Am
May it never leave you
```

```
To sleep in the stone,
      F                 G
May we stay lost on our way home
```

[Brendon]

```
C       Em              Am
Câ€™mon, câ€™mon, with everything falling down around me
              F                 G         F
Iâ€™d like to believe in all the possibilities
```

[Nate]

```
            C
If I should die tonight
                             Em
May I first just say Iâ€™m sorry
                               Am
For I, never felt like anybody
```

I am a man of many hats although I

```
             F             G,F
Never mastered anything
          C
When I am ten feet tall
                              Em
Iâ€™ve never felt much smaller since the fall
                          Am
```

Nobody seems to know my name

So don't leave me to sleep all alone
      F   G
May we stay lost on our way home?

[Brendon and Nate]

C   Em   Am
C'mon, c'mon, with everything falling down around me
             F   G   F
I'd like to believe in all the possibilities

[Brendon and Nate]
C   Em   Am
C'mon, c'mon, with everything falling down around me
             F   G   C
I'd like to believe in all the possibilities

[Brendon]
Am
Try not to mistake what you have with what you hate

[Brendon and Nate]

      F   C
It could leave, it could leave, come the morning

[Nate]

Am
Celebrate the night

It's the fall before the climb

[Brendon and Nate]

      F   C
Shall we sing, shall we sing, til the morning

[Brendon]

Am   F   C   G
I fall forward, you fall flat

[Brendon and Nate]

    Am
And if the sun should lift me up
     F   C   G   C
Would you come back? C mon!

Em,Am,F,G

[Brendon]

C   **Em**   **Am**
C'mon, c'mon, with everything falling down around me
             F   **G**   **C**
I'd like to believe in all the possibilities

[Brendon and Nate]

        Em   **Am**
C'mon, c'mon, with everything falling down around me
             F   **G**   **F**
I'd like to believe in all the possibilities

[Brendon and Nate]

   C   **Em**   **Am**
So c'mon, c'mon, with everything falling down around me
             F   **G**   **C**
I'd like to believe in all the possibilities

[Brendon screams] YEAH YEAH YEAH!

[Brendon]
          C   **Em**   **C**
It's getting late and I, cannot seem to find my way home tonight.
