

Do You Know What Im Seeing?
Panic! At the Disco

D#

Clouds are marching along
Singing a song, just like they do
If the clouds were singing a song
I d sing along, wouldn t you too?

G#m

If you just knew
What they could do
Oh, if you just knew
What would they do

D#

And if the birds are just hollow words

D#m

Flying along
Singing a song

G#m

What would they do
If they just knew
What they could do
Oh if they just knew

I know its sad that I never gave a damn about the weather
