

**Do You Know What Im Seeing
Panic! At the Disco**

F

Clouds are marching along, singing a song, just like they do.
If the clouds were singing a song, I d sing along, wouldn t you too?

Bbm

If you just knew what they could do.
Oh, if you just knew, what would they do?

F

Fm

And if the birds are just hollow words flying along, singing a song,

Bbm

What would they do?
If they just knew what they could do.
Oh, if they just knew.

Chorus:

G#

I know it s sad that I never gave a damn about the weather,

Fm

C#

And it never gave a damn about me.

G#

I know it s sad that I never gave a damn about the weather,

Fm

Bbm

And it never gave a damn about me.

Fm

Bbm

No, it never gave a damn about me.

Bbm

I know it s mad, but if I go to hell

F#

Will you come with me or just leave?

Bbm

I know it s mad, but if the world were ending

F#

Would you kiss me or just leave me?

Just leave me?

F

Clouds are singing a song, marching along, just like they do.
If the clouds were playing a song, I d play along, wouldn t you too?

Bbm

If you just knew what they could do.
Oh, if you just knew, what would they do?

F

Fm

And if words are just hollow birds, flying along, singing a song,

Bbm

What would they do?
If they just knew what we could do.
Oh, if they just knew.
