

Do You Know What Im Seeing
Panic! At the Disco

D

Clouds are marching along, singing a song, just like they do.
If the clouds were singing a song, I d sing along, wouldn t you too?

Gm

If you just knew what they could do.
Oh, if you just knew, what would they do?

D

Dm

And if the birds are just hollow words flying along, singing a song,

Gm

What would they do?
If they just knew what they could do.
Oh, if they just knew.

Chorus:

F

I know it s sad that I never gave a damn about the weather,

Dm

Bb

And it never gave a damn about me.

F

I know it s sad that I never gave a damn about the weather,

Dm

Gm

And it never gave a damn about me.

Dm

Gm

No, it never gave a damn about me.

Gm

I know it s mad, but if I go to hell

Eb

Will you come with me or just leave?

Gm

I know it s mad, but if the world were ending

Eb

Would you kiss me or just leave me?

Just leave me?

D

Clouds are singing a song, marching along, just like they do.
If the clouds were playing a song, I d play along, wouldn t you too?

Gm

If you just knew what they could do.
Oh, if you just knew, what would they do?

D

Dm

And if words are just hollow birds, flying along, singing a song,

Gm

What would they do?
If they just knew what we could do.
Oh, if they just knew.
