

Do You Know What Im Seeing
Panic! At the Disco

Eb

Clouds are marching along, singing a song, just like they do.
If the clouds were singing a song, I d sing along, wouldn t you too?

G#m

If you just knew what they could do.
Oh, if you just knew, what would they do?

Eb

Ebm

And if the birds are just hollow words flying along, singing a song,

G#m

What would they do?
If they just knew what they could do.
Oh, if they just knew.

Chorus:

F#

I know it s sad that I never gave a damn about the weather,

Ebm

B

And it never gave a damn about me.

F#

I know it s sad that I never gave a damn about the weather,

Ebm

G#m

And it never gave a damn about me.

Ebm

G#m

No, it never gave a damn about me.

G#m

I know it s mad, but if I go to hell

E

Will you come with me or just leave?

G#m

I know it s mad, but if the world were ending

E

Would you kiss me or just leave me?

Just leave me?

Eb

Clouds are singing a song, marching along, just like they do.
If the clouds were playing a song, I d play along, wouldn t you too?

G#m

If you just knew what they could do.
Oh, if you just knew, what would they do?

Eb

Ebm

And if words are just hollow birds, flying along, singing a song,

G#m

What would they do?
If they just knew what we could do.
Oh, if they just knew.

Chorus:

F#

I know it s sad that I never gave a damn about the weather,

Ebm

B

And it never gave a damn about me.

F#

I know it s sad that I never gave a damn about the weather,

Ebm

G#m

And it never gave a damn about me.

Ebm

G#m

No, it never gave a damn about me.

G#m

I know it s mad, but if I go to hell (I know it s mad)

E

Will you come with me or just leave?

G#m
