

Do You Know What Im Seeing
Panic! At the Disco

F#

Clouds are marching along, singing a song, just like they do.
If the clouds were singing a song, I d sing along, wouldn t you too?

Bm

If you just knew what they could do.
Oh, if you just knew, what would they do?

F#

F#m

And if the birds are just hollow words flying along, singing a song,

Bm

What would they do?
If they just knew what they could do.
Oh, if they just knew.

Chorus:

A

I know it s sad that I never gave a damn about the weather,

F#m

D

And it never gave a damn about me.

A

I know it s sad that I never gave a damn about the weather,

F#m

Bm

And it never gave a damn about me.

F#m

Bm

No, it never gave a damn about me.

Bm

I know it s mad, but if I go to hell

G

Will you come with me or just leave?

Bm

I know it s mad, but if the world were ending

G

Would you kiss me or just leave me?

Just leave me?

F#

Clouds are singing a song, marching along, just like they do.
If the clouds were playing a song, I d play along, wouldn t you too?

Bm

If you just knew what they could do.
Oh, if you just knew, what would they do?

F#

F#m

And if words are just hollow birds, flying along, singing a song,

Bm

What would they do?
If they just knew what we could do.
Oh, if they just knew.
