[Intro] **Em**

Em

Welcome to the end of eras

Dress me up and watch me die

And if you don't know now you know

C

I'm taking back the crown

Am

I'm all dressed up and naked

Em

I see what's mine and take it
(Finders keepers, losers weepers)

Em

Oh yeah

C

The crown

Am

So close I can taste it

Em

I see what's mine and take it
(Finders keepers, losers weepers)

Em

Oh yeah

Em

Sycophants on velvet sofas

Em

Lavish mansions, vintage wine

Em

I am so much more than royal

Em

Snatch your chain and mace your eyes

C

If it feels good, tastes good

Am

It must be mine

Em

Heroes always get remembered

Em

But you know legends never die
