

Golden Days

Panic! At the Disco

Em

I found a pile of Polaroids

C

In the crates of a record shop

G

They were sex, sexy looking back

B

From a night that time forgot

Em

C

Boy he was something debonair in 1979

G

And she had Farrah Fawcett hair

B

Carafes of blood red wine

C

Em

In the summertime

C

B

In the summertime

G

B

Em

C

Oh don't you wonder when the light begins to fade?

G

B

Em

C

And the clock just makes the colors turn to grey

G

Forever younger

B

Em

C

Growing older just the same

G

B

Em

C

All the memories that we make will never change

G

We'll stay drunk, we'll stay tan

B

Let the love remain

Em

C

And I swear that I'll always paint you

G

B

Golden days

Em

C

Golden days

G

B

Golden days

Em

C

Golden days

Em

I bet they met some diplomats

C

on Bianca Jagger s new yacht

G

With their caviar and dead cigars

B

The air was sauna hot

Em

I bet they never even thought about

C

The glitter dancing on the skin

G

The decades might ve washed it out

B

As the flashes popped like pins

C Em

In the summertime

C B

In the summertime

Oh don t you wonder when the light begins to fade? G B Em C

And the clock just makes the colors turn to grey G B Em C

Forever younger G

Growing older just the same B Em C

All the memories that we make will never change G B Em C

We ll stay drunk, we ll stay tan G

Let the love remain B

And I swear that I ll always paint you Em C

Golden days G B

Golden days Em C

Golden days G B

Golden days Em C

Am Time can never break your heart

D

But It ll take the pain away

Am G

Right now our future s certain

Cm

I won't let it fade away
