

King Of The Clouds
Panic! At the Disco

[Primeira Parte]

Bbmaj7

Heaven knows that

A7

I m born too late

Dm

For these ghosts that I chase

Dm/F

With these dreams, I inflate

Bbmaj7

Painted skies in my brain

A7

Every day, I m Carl Sagan in space

Dm

Dm/F

To escape this old world, this old world

Bbmaj7

A7

Some days I lie wide awake

Dm

Til the Sun hits my face

Dm/F

And I fade, elevate from the Earth

Bbmaj7

Far away to a place where

A7

I m free from the weight

Dm

Dm/F

This old world, this old world

[Pré-Refrão]

Bbmaj7

A7

I don t trust anything

Dm

Dm/F

Or anyone, below the Sun

Bbmaj7

A7

And I don t feel anything

Dm Dm/F

At all

[Refrão]

Bbmaj7

I m King of the clouds

A7

Of the clouds

Dm

Dm/F

I get lifted, I get lifted

Bbmaj7

King of the clouds

A7

Of the clouds

Dm

Dm/F

I get lifted, I get lifted

(**Bbmaj7 A7 Dm Dm/F**)

[Segunda Parte]

Bbmaj7

Some only live to die

A7

I m alive to fly higher

Dm

Dm/F

Than angels in outfields inside of my mind

Bbmaj7

I m ascendin these ladders

A7

I m climbin , say goodbye

Dm

Dm/F

This old world, this old world

Bbmaj7

And when I fall to rise

A7

With stardust in my eyes

Dm

In the backbone of matter

Dm/F

I m combustible

Bbmaj7

Dust in the fire when I can t sleep

A7

Awake, I m too tired

Dm

Dm/F

This old world, this old world

[Pré-Refrão]

Bbmaj7

A7

I don t trust anything

Dm

Dm/F

Or anyone, below the Sun

Bbmaj7

A7

And I don t feel anything

Dm

At all

[Refrão]

Bbmaj7

I m King of the clouds

A7

Of the clouds

Dm

Dm/F

I get lifted, I get lifted

Bbmaj7

King of the clouds

A7

Of the clouds

Dm

Dm/F

I get lifted, I get lifted

Bbmaj7

Imagination

A7

Take me somewhere I don t know

Dm

Dm/F

I m lost but I better find it alone

Bbmaj7

A7

King of the clouds, of the clouds

Dm

Dm/F

I get lifted, I get lifted

Bbmaj7 A7

I keep searching

Dm

Dm/F

Oh, I keep searching

Bbmaj7 A7

I keep searching

[Final] **Dm Dm/F**
