Verse 1 :

D# **G#m**

My wing tips waltz across naive,

D#

wood floors they creak,

G#m

D#

G#m

innocently down the stairs,

D# **G#m**

drag melody,

D#

G#m

my percussive feet serve cobweb headaches as a,
(no guitar)

matching set of marching clocks,

D#

the slumbering apparitions that they've come to wake up,

G#m **D#** **G#m**

G#m

Here I am composing a burlesque,

D#

Out of where they rest their necks,

D#

Sunken in their splintered cradles

G#m

D#

And ramshackle heads,

G#m

D#

They asked for it, as a girl,

You have set your heart on

Haunting me forever from the start,

It's never silent,

Chorus :

G# **D#**

Ever since we met,

C# **C#m**

G#

I only shoot up with your perfume,

D#

It's the only thing,

C# **C#m**

G#

That makes me feel as good as you do,

D#

Ever since we met,

C# **C#m**

E

I've got just one regret to live through,

And that one regret is you,

D# **G#m** **D#**

Verse :

G#m
How does a heart love,
D# **G#m**
If no one has noticed its presence,
D#
And where does it go,
G#m **D#**
Trembling hands play my heart like the drum,
G#m **D#**
But the beat s gotten lost in the show,

(no guitar)
You have set your heart on,
Haunting me forever from the start,
It s never silent,

Chorus

G# **D#**
Ever since we met,
C# **C#m** **G#**
I only shoot up with your perfume,
D#
It s the only thing,
C# **C#m** **G#**
That makes me feel as good as you do,
D#
Ever since we met,
C# **C#m** **E**
I ve got just one regret to live through,
D# **G#**
and I regret never letting you go,

G# **D#**
Ever since we met,
C# **C#m** **G#**
I only shoot up with your perfume,
D#
It s the only thing,
C# **C#m** **G#**
That makes me feel as good as you do,

D#
Ever since we met,
C# **C#m** **E**
I ve got just one regret to live through,
D# **G#**

And that one regret is you,

End :

G# D# C# C#m

Mona Lisa pleased to please ya
(my one regret is you)

G# D# C# C#m E

Mona Lisa pleased to please ya
