[Verse]

 G Em
I feel the salty waves come in
 C Cm
I feel them crash against my skin
 G Em C Cm
And I smile as I respire because I know they'll never win
 G Em
There's a haze above my TV
 C Cm
That changes everything I see
 G Em
And maybe if I continue watching
 C Cm
I'll lose the traits that worry me

Cm (hold)
Can we fast-forward until you go down on me?

[Chorus]

G **Em**
Stop there and let me correct it
C **Cm**
I wanna live a life from a new perspective
G **Em**
You come along because I love your face
C **Cm**
And I ll admire your expensive taste
G **Em**
And who cares divine intervention
C **Cm**
I wanna be praised from a new perspective
G **Em**
But leaving now would be a good idea
C **Cm**
So catch me up on getting out of here

[Verse]

G **Em** **C** **Cm**
Taking everything for granted but we still respect the time
G **Em** **C** **Cm**
We move along with some new passion knowing everything is fine
G **Em** **C** **Cm**
And I would wait and watch the hours fall in a hundred separate lines
G **Em** **C** **Cm**
But I regain repose and wonder how I ended up inside

Cm (hold)
Can we fast-forward until you go down on me?

[Chorus]

G **Em**
Stop there and let me correct it
C **Cm**
I wanna live a life from a new perspective
G **Em**
You come along because I love your face
C **Cm**
And I ll admire your expensive taste
G **Em**
And who cares divine intervention
C **Cm**
I wanna be praised from a new perspective
G **Em**
But leaving now would be a good idea
C **Cm**
So catch me up on getting out of here
