

Stall Me

Panic! At the Disco

F
Fall to your knees
C **Bb**
And kiss the ring, the clouds rejoicing
F
All of my dreams
C **Bb**
Wake up to despise a world I once loved
Gm **Cm** **F**
Why would you bring me in if you knew what you'd become
Gm **Bb** **F**
So curse everyone and everything
C
Even the sun

F **Dm**
Stall me, stall me, I'm all in
Am **Bb**
Stall me, call me up or break me in
F **C** **Bb**
A dark room in the wallflower garden of the party
Dm
She's got four on the floor
C **Bb** **Bbm**
She's waiting to kick start me
So just stall me

(**F**)

F
I had a rosie dream
Am
You gave up on you and I gave up on me
Dm **C#m**
Well, love came along and said leave 'em be
Ohhh

F
We were wrecked on every rocky tasted
Am
Light a cork my pretty little angel.
Dm **C#m** **C**
I'm singing to empty bottles everywhere, everywhere

F **Dm**
Stall me, stall me, I'm all in

Am **Bb**
Stall me, call me up or break me in
F **C** **Bb**
A dark room in the wallflower garden of the party
Dm
She s got four on the floor
C **Bb** **Bbm**
She s waiting to kick start me
So just stall me

Dm **C** **Bb**
She counts on stars, astrology

B
My moods are mercuryal

Dm **C** **Gm**
But I m no mercury

A **Bb**
Don t hold your breath

C **Dm**
Baptized in the river of you

C **F**
Hold on to the moon

C **Bb** **Bbm**
It s just a sliver of you

F **Dm**
Stall me, stall me, I m all in

Am **Bb**
Stall me, call me up or break me in

F **C** **Bb**
A dark room in the wallflower garden of the party

Dm
She s got four on the floor

C **Bb** **Bbm**
She s waiting to kick start me

So just stall me
