

**Turn Off The Lights**  
**Panic! At the Disco**

[Verse 1]

**Am**  
I got so sick of being on my own  
**F**  
Now the devil wont leave me alone  
**C**  
It s almost like I found a friend  
**G**  
Who s in it for the bitter end  
**Am** **F**  
Our conscious s are always so much heavier than our egos  
**C**  
I set my expectations high  
**G**  
So nothing ever comes out right

[Pre-Chorus]

**F** **Am**  
So shoot a star on the boulevard tonight  
  
I think I ll figure it out with a little more  
**G** **G7**  
time, But who needs time

[Chorus]

**C** **Am** **Em**  
Turn off the lights, turn off the lights  
**C** **Am** **G**  
Turn on the show for me tonight  
**C** **Am** **Em**  
I ve got my heavy heart to hold me down  
**G** **F**  
Once it falls apart my heads in the clouds  
**G**  
So taking every chance I got  
(paused)  
Like the man I know I m not

[Verse 2]

**Am**  
So sick of wasting all my time  
**F**  
How in gods name did I survive  
**C**  
I need a little sympathy  
**G**  
To sore my insecurities

**Am** **F**  
Our conscious s are always so much heavier than our egos

**C**  
I set my expectations high

**G**  
So nothing ever comes out right

[Pre-Chorus]

**F** **Am**  
So shoot a star on the boulevard tonight

I think I ll figure it out with a little more

**G** **G7**  
time, But who needs time

[Chorus]

**C** **Am** **Em**  
Turn off the lights, turn off the lights

**C** **Am** **G**  
Turn on the show for me tonight

**C** **Am** **Em**  
I ve got my heavy heart to hold me down

**G** **F**  
Once it falls apart my heads in the clouds

**G**  
So taking every chance I got  
(paused)

Like the man I know I m not

[Bridge]

**Am** **F** **G**  
Oh oh oh, mhm

**F** **Am** **G**  
A heavy heart on the boulevard tonight, oh

**F** **Am** **G**  
Shooting stars watch me fall apart tonight, woah

[Instrumental]

**F C G Em Am F**

[Chorus]

**C** **Am** **Em**  
Turn off the lights, turn off the lights

**C** **Am** **G**  
Turn on the show for me tonight

**C** **Am** **Em**  
I ve got my heavy heart to hold me down

**G** **F**  
Once it falls apart my heads in the clouds

**G**  
So taking every chance I got  
(paused)

Like the man I know I m not

[Outro]

**Am**        **C**            **G**            **F**

Oh woah, oh woah, oh woah

**Am**        **C**            **G**            **F**

Oh woah, oh woah, oh woah
