A/Asus2 **Asus4** **F#m** **E**
Autumn leaves, under frozen souls
A/Asus2 **Asus4** **F#m** **E**
Hungry hands, turning soft and cold
D **E** **F#m** **E** **D**
My hero cried as we stood out there in the cold
D **E** **A/Asus2/Asus4**
Like these autumn leaves, I dont have nothing to hold

A/Asus2/Asus4 **F#m** **E**
Handsome smile, wearing handsome shoes
A **Asus2/Asus4** **F#m** **E**
Too young to say, though I swear he knew
D **E** **F#m** **E** **D**
I hear him singing while he sits there in his chair
D **E** **A/Asus2/Asus4**
While these autumn leaves float around everywhere

Bm **A** **E** **D** **A**
I look at you and I see me, making noise so restlessly
Bm **A**

But now its quiet and I can hear you saying

E **D**

My little fish dont cry, my little fish dont cry

A/Asus2/Asus4 **F#m** **E**

Autumn leaves, have faded now

A/Asus2/Asus4 **F#m** **E**

That smile i lost, well I ve found somehow

D **E** **F#m** **E** **D**

Cause you still live on in my fathers eyes

D **E** **F#m** **E** **D**

These autumn leaves, oh these autumn leaves

D **E** **A/Asus2/Asus4/A**

Oh these autumn leaves are yours tonight
